- Top 6 teams will qualify to the finals.
- In the case of a tie, tiebreakers will be evaluated.
- Write your team name and phone number on the sheet before submitting.
- Don't cheat. LOL. No I'm serious
- QM's decision is final

Q1.

One of the biggest unsolved mysteries of our times; this incident has several theories explaining its reason .

YouTube commenters suggested that Pitbull and Shakira might have foreseen the trouble, a couple of years ago, pointing to their 2012 song "Get it Started." They ponder this lyric: "Now it's off to _____," Pitbull sings, "Two passports, three cities, two countries, one day."

Q2.

A large species of heron, now extinct, lived on the Arabian Peninsula in comparatively recent times, may have been the ultimate inspiration for the Bennu, an ancient Egyptian deity linked with the sun, creation, and rebirth.

According to Egyptian mythology, the Bennu was a self-created being said to have played a role in the creation of the world. The Greeks gave The Bennu the name 'P', by which it has attained its world-wide fame.

Q4.

According to a legend once Sage Narada, persuaded Vayu to humiliate proud Mount Meru to prove his supremacy. For an year, the God of Wind blow unremittingly against the Mount to destroy it — and he would have made it if Garuda, wouldn't have protected it with his mighty wings. But when Garuda closed his wings for a moment to rest, Vayu stroke the last breath of wind towards Mount Meru's summit which cracked and fell off to **create** ?

Q5.

What are **tiered buildings**, or parts of buildings that have step-like features, constructed in Art Deco referred to as?

Q6.

What **misconception**, also a commonly used English phrase originates from the manufacturing process of pig iron, wherein the smelted iron ore is poured into long parallel sand pits to help cool them down? The visual indicator that the liquid metal has cooled down gave rise to the phrase.

Q7.

Though it seems pretty Godlike feat to perform, it has been performed by magicians, most famously by Dynamo in 2011. He used plexiglass, due to it's rigidity and hired the entire crew to create the illusion. Bypassers were stunned to see the feat.

What feat?

Q8.

X was one of the few people who was described both in the Ramayana and the Mahabharata. X, King of refused to bow to Yudhishtira stating that he bowed to none but Rama who was Vishnu on earth. Krishna, who was also Vishnu on earth, fell at Yudhishtira's feet stating that any king who upholds dharma on earth is like Rama. Seeing this, X changed his mind and fell at Yudhishtira's feet

X?

Q9.

The earliest record of belief in the X goes back to ancient Greece and Rome, where the people believed that the X was the greatest threat for anyone who has more money, fame, etc. than they deserve and those who are overly praised.

In Europe, the myth of the X originated with the idea that bad luck will befall those who are given a malicious or envious look. Hinduism preaches that our Xs are the most powerful part of the body. Because of this, there is a strong fear of the “bad” look from the X and many believe that it holds a huge amount of power. What is X?

Q10.

"Four magicians each answer a mysterious summons to an obscure address with secrets inside. A year later, they are the Four Horsemen, big time stage illusionists who climax their sold-out Las Vegas show with a bank apparently robbed for real"

Q14.

It is based on the legendary Indian king Suheldev who defeated the army of Ghazi Saiyyad Salar Maqsud in the Battle of Bahraich. It was nominated for and won the Golden Book Award 2022.

Who is the author?

Q15.

Methemoglobinemia is a condition where hemoglobin is unable to release oxygen effectively to body tissues. As the blood doesn't get **oxygenated**, it causes a certain reaction. This condition is given as a scientific explanation for a popular mythological entity.

The religious interpretation of this condition is that the certain reaction is seen as the perception of our X to see anything immeasurable as X. Hence it justifies the fact that the entity is **beyond** our perception and is apt to attribute X to this entity.
