ISC X Literati 2.0

A poster for a 'SPORTS QUIZ' event. The title 'SPORTS QUIZ' is at the top in large, bold, black letters. Below it is a large, stylized graphic of a red, angular shape resembling a book or a trophy, with silhouettes of athletes in various sports (running, jumping, kicking, and a torchbearer) integrated into it. The background is a light beige with a faint grid pattern. Logos for 'Literati' and 'IITB SPORTS' are in the top corners. Text on the poster includes 'EXCITING PRIZES AWAIT!', the date and time '27TH AUGUST LC 101 | 6:30 PM', a contact person 'MIHIKA 9104123477' with an eye icon, a 'REGISTER NOW' button with a QR code, and another contact 'MANIKARNIKA 7878112350'.

- Niranjana Anil

Last edition's podium

 Pranav, Rohan, Shriram

 Ishan, Prayag

 Abhineet, Niral, Soham

Rules

- 20 Questions worth 27 points, covering 20 different sports
- Question 6, 11, 14, 15, 17 are starred, and will be used to break ties if any
- Questions 14-20 are two pointers
- Top 8 teams will make it to the finals

1.

- Born _____ Singh Bais in Allahabad, he got his nickname by which we know him today due to him practising at night after his duty hours in the British Indian military.
- ID the athlete who replaced a former Indian prime minister in a sporting context, in 2021.

2.

- _____ Rooster is a professional rugby club based in a Southern Hemisphere city, with its logo paying tribute to an architectural marvel from the city.
- ID the city

3.

- At the 2025 Lombardia Trophy she won using 'This is How It Feels' by Laufey and D4vd, but decided to replace it after D4vd was implicated in a homicide investigation, and chose 'MacArthur Park Suite' by Donna Summer for a 2026 sporting event. However her iconic performance came at the exhibition gala following her win at the 2026 sporting event, using a 2025 song by a British singer.
- ID the athlete.

4.

- Yomif Kejelcha is an Ethiopian long-distance runner who holds the record for the 10K road race. In 2026, he decided to switch to a different sport and ended up beating the world record during his debut at London. However his performance was overshadowed by a Kenyan athlete who became the first to officially break a certain barrier, unofficially broken by Eliud Kipchoge in 2019.
- ID the barrier & the athlete.

5.

- Inspired by watching PV Sindhu play at the Indian Open in Delhi when she was six, she picked up badminton, and ended up winning a few youth level tournaments in Delhi. However she switched to a different sport at the advice of her elder sister, and ended up becoming the youngest Indian medalist at the Asian Games, when she was 15.
- ID her, who recently became the junior world champion in her sport.

6.

- Hailing from the village of Nongpock Kakching, she went to a forest near her village looking for firewood when she was 12 with her elder brother. When it came to lifting the bundle, her brother struggled to lift the heavy stack while she easily hoisted the bundle, put it over her head and walked 2kms through hilly terrain to reach home.
- ID this Olympic medalist.

7.

- Jhostynxon García is a Venezuelan baseball outfielder who plays for the Pittsburgh Pirates of MLB. He is known by his nickname 'The _____' thanks to his first name serving as a really strong option for a _____ .
- FITB

8.

- Koto Kawaguchi is a Japanese athlete who won a bronze medal in the men's team event at the 2022 Summer Deaflympics. Due to his expertise in his sport, and resemblance to the Japanese athlete Hiroji Satoh, he was selected to be part of a project a year ago, revolving around Satoh's opponent in the 1952 world championship in Mumbai.
- ID the project or Satoh's opponent.

9.

- The most prestigious tournament for women in a certain sport is named after the woman pictured here, and not an American transportation company.
- ID the tournament.

10.

- '_____ means _____' (different blanks) is a 2017 American documentary film about tennis coach Nick Bollettieri and his troubled relationship with Andre Agassi. The title is appropriate considering it explains the meaning of a term used in tennis and how Bollettieri's desire to win affected his relationship with people close to him.
- ID the title of the documentary.

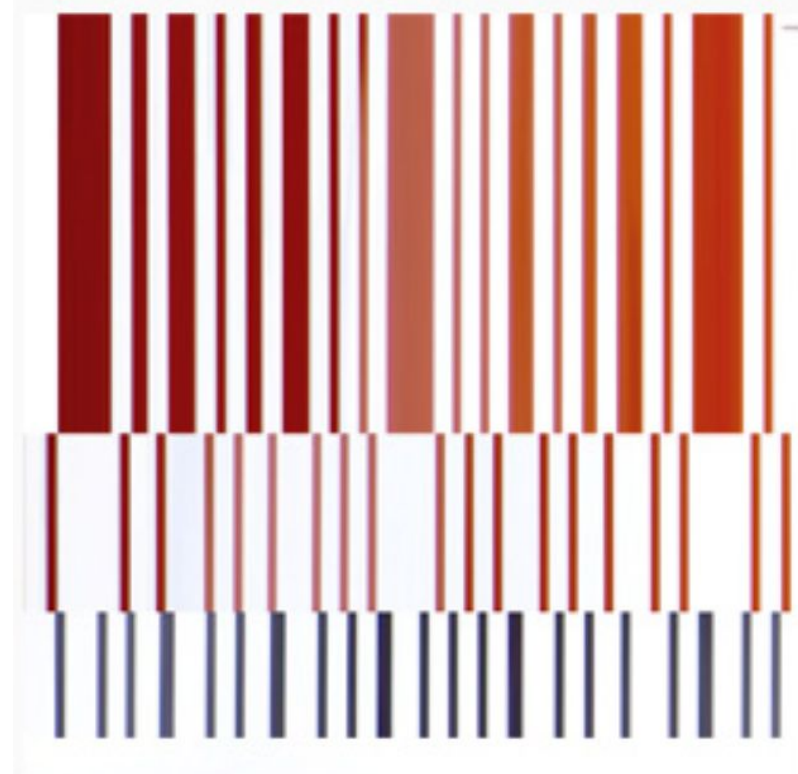

11.

- Pictured here are two individuals performing a job in a particular sport that requires walking 5-10 miles carrying a 15-20 kg bag, and deep knowledge of the terrain for selecting the appropriate equipment.
- What exactly are they doing and for whom ?

12.

- To get around F1 regulations around advertising certain products, this brand started using the barcode pictured here, which resembles their logo when cars attain high speed.
- ID the brand and the team they used to sponsor.

13.

- Established as World _____ Federation, the governing body of this South Korean martial art underwent a name change in 2017 to avoid clashing with an internet slang.
- FITB

WORLD

14.

- The two-word name of this sport refers to the athletes participating alone without any equipment for assistance, and lends its name to a 2018 Oscar winning movie. The movie follows an athlete attempting to become the first to tackle a geographic feature in California, located near another landmark that inspired the logo of an American outdoor sporting-equipment brand, that also sponsors the athlete.
- ID the sport and the brand.

15.

- The first champion outside the sport's country of origin was Akebono Taro from the USA, however a certain landlocked Asian country has dominated the sport since 2003. Athletes from the country include Asashoryu Akinori, Hakuho Sho, Harumafuji Kohei, Kakuryu Rikisaburo, Terunofuji Haruo, all growing up participating in bohk, a sport involving over 300 throwing and kicking techniques.
- ID the sport and the country.

16.

- The 9th highest in this list of 14 gets its name from the Sanskrit words meaning 'naked', and refers to its snowy white appearance, while the 12th highest gets its name due to its wide appearance.
ID the 9th highest entity.
- The 12th highest entity was the site of the unfortunate demise of a former member of the 'Brigade of Gurkhas', who completed the list in 2019.
ID him.

17.

- On December 16, 1997, a day before her 18th birthday, Charlotte Edwards led the England team to a win over Ireland with a record-breaking performance. However, the record lasted less than 24hrs, as an Australian broke it in a stadium 150km away, against Denmark, setting a landmark achievement often misattributed to another knock that came 13 years later.
- ID the landmark achievement.
- Also ID where the record was set, a place that gets its name from the Persian word for a port or harbor.

18.

- ID the beverage that was originally developed by researchers at the University of Florida for the college's American football teams, to replenish the carbohydrates and electrolytes burned while playing.
- In 2017, the brand entered a sponsorship deal with a US sports league, thus becoming the first American professional league to be named after an advertiser. ID the league.

19.

- Colombia's jersey for the 2026 FIFA World Cup pays homage to a genre of literature spearheaded by a 1967 work.
ID the genre/ work of literature.
- France's away jersey for the World Cup is a homage to a 19th century gift from France to the USA.
ID the gift.

20.

- 2015-16 Villanova Wildcats entered the NCAA tournament as the No:2 seed and went on to win the championship. 10 years later, three players from the 2015-16 Wildcats made up 60% of another starting five in a historic championship run.
ID the team.
- Second Round Foundation was started by a member of the 2015-16 Wildcats, to ensure that young people who are overlooked and underestimated have the tools to succeed.
ID the founder of Second Round Foundation.

Round 1

- 4 Questions
- Written Round
- Theme: FIFA World Cup
- +10/0

1.

- In the 1950 WC final, Uruguay defeated the hosts Brazil in a major upset, in a match now known as the Maracanazo. The Brazil national team faced severe criticism from fans for the loss, including pressure to change something dubbed too unpatriotic for being plain white. A competition was held by the newspaper Correio da Manhã to choose the winner, and Aldyr Garcia Schlee ended up winning.
What did he design ?
- His original design had white as well; however, he dropped it due to its resemblance to the flag of a religious entity.
What did his original design resemble ?

2.

- 'Disgrace of Gijon' is the name given to the 1982 WC match between West Germany & Austria. Algeria had already played their final group stage game, and if West Germany won by less than 3 goals both Austria & Germany would advance to the next stage. After the first goal, both teams didn't bother playing, leading to widespread criticism from fans.
What rule change did this lead to ?
- The match was also called _____, referring to another event involving the two countries that occurred 44 years prior, and gets its name from the German word for joining.

FITB

3.

- Days before the kickoff of the 2022 WC, an official sponsor received a ban from the host country, prompting them to give away their massive surplus of unsold products to the winning team.
- ID the company.

4.

- Belgium's jersey for the 2026 WC was inspired by the artwork 'La Voix Des Airs' by a Belgian artist, and the collars had the inscription 'This is not a jersey'.
ID the artist.
- Brazil's jersey for the 2026 WC paid tribute to a fauna found in the Amazon, and also represented the threat posed by the team towards their opponents.
ID the fauna.
